

Trip to Fox Mountain

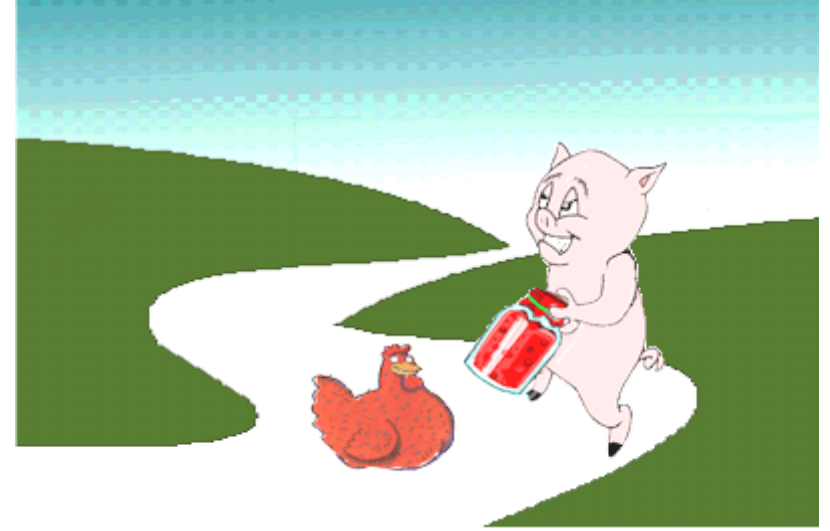

- 1 I will tell you where you
- 2 can go to see the red fox.
- 3 Yes, this fox is such fun.
- 4 You will want to see him
- 5 each day you can.
- 6 Yes, each day.

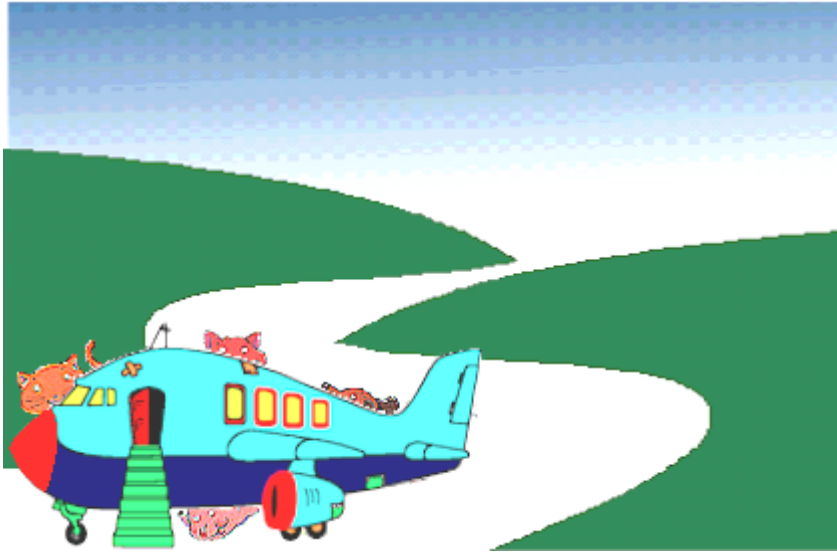

- 55 Why it rains the way it
- 56 does I don't and won't
- 57 say. If you want you can
- 58 lie in the tub to get off
- 59 the mud. You don't want
- 60 mud on you or your coat.

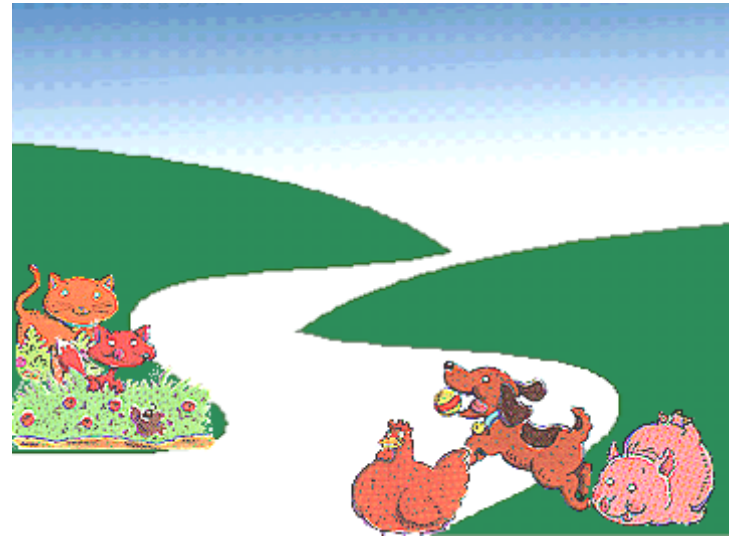

13 The fox said he goes
14 far from here. The men
15 said we can go see
16 him in a jet. Come on
17 with us. It will be such
18 fun with the fox.

43 Can your arm take the
44 lid off the jam? The pig
45 says he can take it off.
46 The hen says there is no
47 way for him to do it.
48 What do you say?

25 I have got to tell you
26 what to do when your jet
27 gets there on the long
28 road. You have to eat
29 the red jam. Do you like
30 to eat red jam? We do.

31 On the road with the fox
32 there is a pig, a dog,
33 a cat and a hen.
34 The pig will tell you
35 where to eat the jam.
36 Yes, you can do it.
