**Reading Vocabulary Definition Test**

Directions: Teachers are to use their understanding of each word to create and orally give students a “Definition Clue” or definition. (For information on definition clues go to [www.tampareads.com/definitionclues](http://www.tampareads.com/definitionclues) - After hearing the definition clue or definition, students write the correct word in the numbered column. While there are 8 words in each daily column (last word is a review word from previous week), only 7 words are to be tested in random order and may or may not include the review word.  **3 points for each correct answer.**

2. __________________
3. __________________
4. __________________

**Timed Reading**: An additional grade for the weekly test can be to “time” each student on how fast they can say all four columns of words at top (for determining fluency). Any incorrect word must be written 5 times each and put into a sentence. Students can be tested while they are completing this worksheet. Every 3 incorrect words lowers “timed” letter grade by one letter.
